

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

v.

ALBERT L. WOODS,

Defendant.

8:12CR44

ORDER

This matter is before the Court on Albert L. Woods's ("Woods") motion to reduce his sentence (Filing No. 151) pursuant to 18 U.S.C. § 3582(c). In relevant part, that statute authorizes Woods to move the Court to reduce his sentence for "extraordinary and compelling reasons" thirty days after the warden of the facility where Woods is incarcerated receives a request to file such a motion on his behalf. *Id.* § 3582(c)(1)(A)(i); *see also United States v. Raia*, 954 F.3d 594, 595 (3d Cir. 2020).

The Court's initial review of Woods's motion and the supplementary brief filed by his counsel indicate Woods has potentially raised a colorable claim under § 3582(c)(1)(A)(i). The Court finds that input from the government and the U.S Probation and Pretrial Services Office would help the Court decide whether Woods's circumstances warrant relief. Accordingly,

IT IS ORDERED:

1. The government shall respond to Woods's motion on or before July 31, 2020. Woods shall promptly file any supplementary briefing or evidence necessary to the Court's disposition of the motion. Absent an extension, Woods's motion shall be deemed submitted as of August 7, 2020.
2. The probation office is directed to investigate Woods's request and promptly file under seal a report of the results of that investigation.

Dated this 23rd day of July 2020.

BY THE COURT:

Robert F. Rossiter, Jr.
United States District Judge
